CONFESSIONS OF FAITH

Speaking the Truth — Change Your Direction Today

Surefooted Ministries

Summary of the Video

The purpose of this video is to help believers change the direction of their lives by consistently speaking biblical truth, developing spiritually, and applying God's Word to their daily circumstances.

Life presents daily battles that require spiritual preparation, knowledge of God's Word, faith, and a willingness to stand firm in what God has provided through Jesus Christ.

This video presents a collection of personal confessions based on Scripture. These confessions are designed to be spoken aloud regularly, helping believers focus their hearts and minds on God's Word and the responsibilities He has entrusted to them.

1. Speak God's Truth About Who You Are

The video encourages believers to establish their thinking and speaking on biblical truth rather than allowing circumstances, fear, or physical senses to determine their direction.

Through Scripture-based confessions, believers declare their identity in Christ, their faith in God, and their commitment to living according to His Word.

Examples include:

- I am righteous because of Jesus!
- I am bringing change and blessing in all areas of life!
- I am building the kingdom of God!
- I am trustworthy!
- I walk by faith, not by my physical senses!

2. Develop Spiritual Strength Through Training

Spiritual growth requires more than seeking quick answers when problems arise. It requires time, discipline, and consistent preparation.

Believers must learn God's Word, understand what it teaches, and put it into practice. Repeatedly reviewing and speaking these confessions provides an opportunity to reinforce biblical truth and develop a more consistent spiritual life.

The goal is not simply to speak the words but to allow God's Word to influence how we think, speak, and live.

3. Become Responsible and Effective Servants of God

The video emphasizes personal responsibility, faithful service, and readiness to accomplish the work God has entrusted to believers.

The confessions include commitments to:

- Be responsible and trustworthy.
- Study and rightly divide God's Word.
- Provide practical instruction to people in need.
- Work heartily as serving the Lord.
- Be ready to minister in season and out of season.
- Guard what God has entrusted to us.
- Become good stewards of God's varied grace.

These declarations encourage believers to develop the character, knowledge, and discipline necessary for effective Christian service.

4. Stand Firm in Faith and Overcome Fear

The video includes confessions concerning courage, confidence, and standing firm against opposition.

Believers are encouraged to reject panic and fear, recognize their responsibilities, and maintain their confidence in God's promises.

The message is that spiritual preparation matters. Rather than waiting until difficulties arise to begin developing faith, believers should cultivate a consistent life of learning, prayer, and obedience.

5. Understand the Importance of Prayer

Prayer is presented as an essential part of the believer's life and service.

The video includes declarations about being alert and ready for the works of Jesus, guarding one's family and areas of responsibility, and believing God for answers to prayer.

Scriptures such as Ephesians 6:18, Isaiah 65:24, Psalm 91:15, and James 5:16 reinforce the importance of prayer, perseverance, and dependence upon God.

6. Develop God's Perspective and Character

The confessions encourage believers to look beyond outward appearances and learn to see situations from God's perspective.

The video draws attention to the character of Jesus being reflected in the believer's life, including the responsibility to let one's light shine before others.

The objective is not merely to make declarations but to become a person whose conduct, decisions, and service reflect biblical truth.

7. Make These Confessions a Regular Practice

The video specifically encourages viewers to speak these confessions aloud a little each day.

It is intended to be watched repeatedly, with pauses for reflection and personal application.

Rather than watching once and moving on, viewers are encouraged to consider each declaration, examine the accompanying Scripture, and identify changes they need to make in their lives.

The Central Message

Change your direction today by learning, speaking, believing, and applying the truth of God's Word.

Spiritual victory requires preparation. Just as a person would rather sweat in training than bleed on the battlefield, believers should develop their spiritual lives before difficulties arise.

These confessions provide a practical way to review biblical truths regularly, strengthen one's focus on God's Word, and cultivate a lifestyle of faith, prayer, responsibility, and faithful service.

The ultimate objective is not repetition alone. It is meaningful spiritual development that produces lasting changes in how believers think, speak, live, and serve the Lord.

A Final Encouragement

Do not treat this video as something to watch only once.

Return to it regularly. Pause when necessary. Read the Scriptures. Speak the confessions aloud. Consider what each declaration means for your daily life, and put God's Word into practice.

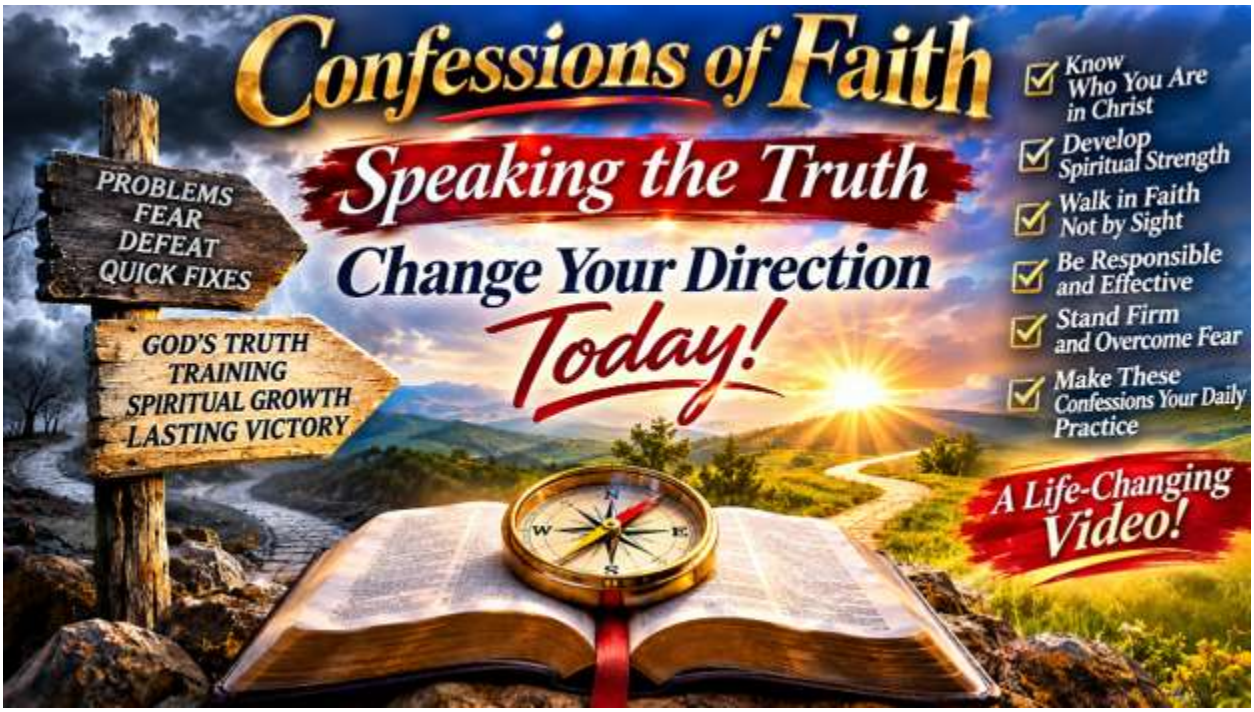

Invest time in spiritual training today so that you will be better prepared for the battles of tomorrow.
