

Insights for godly results and valuable resources:

1. Spiritually speaking tilling our life is an ongoing business.
2. Tilling is a process for character development.
3. Tilling is a process needed in all areas of our life.
4. If we delay the tilling process on a farm, the land will become compressed, and the weeds will entangle the crops.
5. The outcome will be a non-productive farm.
6. If we delay the tilling process in our life, it will yield the same results.
