

Pray and Seek the Lost with "Until" Intensity!

This prayer focus is a powerful and important aspect of the Christian faith: the call to seek and save the lost, mirroring the mission of Christ Himself. As "**Royal Prayer Guards**," believers are entrusted with a spiritual responsibility to intercede, pray, and actively engage in sharing God's love with those who do not yet know Him.

Here's how we can practically respond to this call:

1. Commit to Persistent Prayer

- **Pray with Intentionality:** Dedicate specific time daily to pray for the salvation of those who do not know Jesus, including family, friends, and even strangers.
- **Pray Specifically:** Call out individuals by name, lifting their hearts and minds to God.
- **Pray with Faith:** Trust that God is working even when progress isn't immediately visible.

2. Live as Witnesses of Christ's Love

- **Exemplify the Joy of the Lord:** Let your life radiate the peace and joy that come from knowing Christ. This testimony can draw others to Him.
- **Build Relationships:** Engage with people, showing kindness and genuine interest in their lives. Relationships often pave the way for deeper spiritual conversations.

3. Seek the Lost with "Until" Intensity

- **Be Persistent:** Like the shepherd and the woman in Luke 15, let our search be driven by love and urgency, refusing to give up until the lost are found.
- **Share the Gospel Boldly:** Look for opportunities to talk about Jesus and share your testimony as evidence of His transformative power.
- **Support Others:** Encourage fellow believers to join in prayer and outreach efforts.

4. Rejoice in Salvation

- Celebrate each life that comes to Christ, just as heaven rejoices. Recognize that every soul saved is an eternal victory.

Reflective Questions:

- Are we truly seeing the lost as God sees them—with immeasurable worth?
- How can we adjust our schedules, habits, or focus to prioritize seeking the lost?
- Are we willing to persevere "**until**" we see a breakthrough?

The imagery from **Luke 15** and the mission of Christ in **Luke 19:10** remind us that this is not just a duty but a privilege. Heaven's joy over even one sinner's repentance highlights the significance of our prayers and efforts.

Let us strive to be faithful, passionate, and relentless in seeking the lost, knowing that God works through us to bring them home.
